

MARINUS LINK CONSTRUCTION – TRAFFIC CHANGES ON WARATAH ROAD

Marinus Link is an undersea and underground electricity and telecommunications interconnector between North West Tasmania and the Latrobe Valley in Victoria.

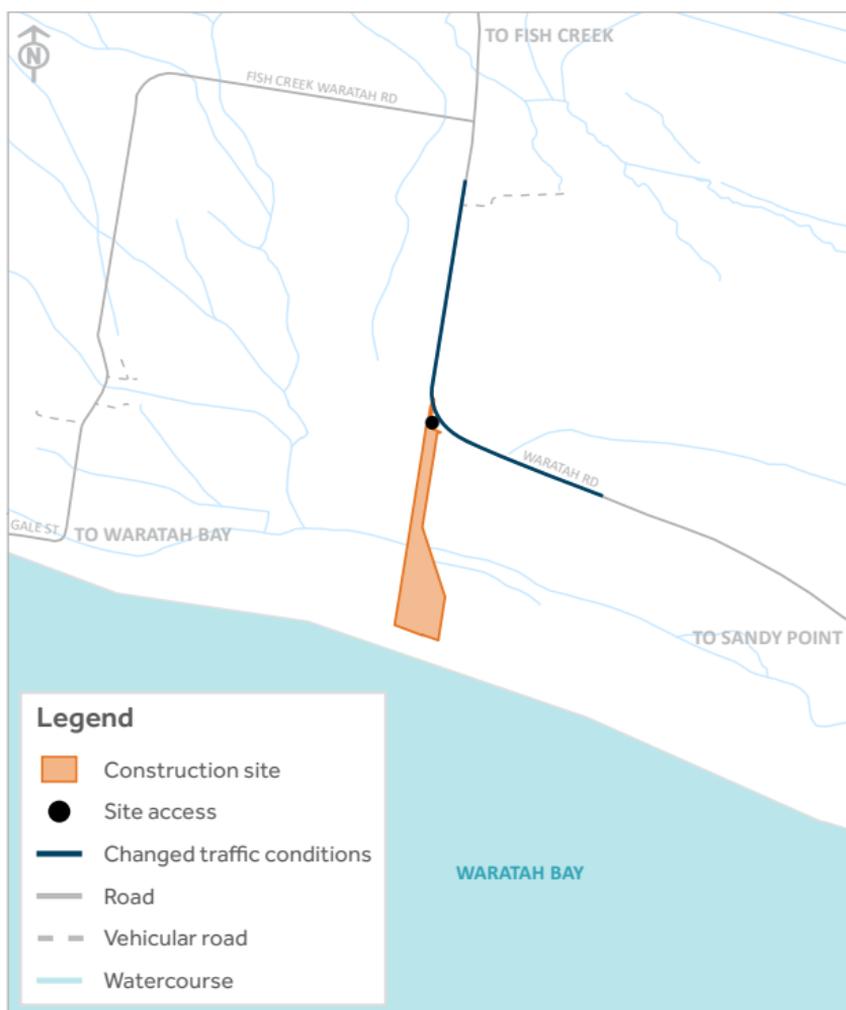

Construction activities have commenced at the Victorian landfall site for the High Voltage Direct Current (HVDC) cables and fibre optic cables.

What to expect

There will be changed traffic conditions on Waratah Road, south of Fish Creek-Waratah Road until late 2026, including:

- » intermittent lane closures;
- » long term speed reductions; and
- » an increase in heavy vehicle traffic.

To help keep everyone safe, please observe traffic signage and follow instructions from traffic controllers.
